Presentation of the Gaithersburg Day Laborer Task Force Final Report

SUPPORTING BACKGROUND:

The Gaithersburg Day Laborer Task Force was formed by resolution of the Mayor and City Council on December 5th, 2005. The Task Force was charged with the following activities -

1. Review the information collected by the Ad Hoc Committee as a starting point to identifying the issues related to this topic
2. Research initiatives undertaken by other governments and/or community groups relating to day laborer issues. Specifically evaluate the operations and effectiveness of the existing day laborer centers in Wheaton, Silver Spring and other areas in the region
3. Based on the information collected, compile a list of practical options to address the current situation in Gaithersburg. Prioritize the options, listing the pros and cons of each, and present them to the Mayor and Council
4. Develop specific criteria relating to a location for a new day laborer center that would be funded and operated by Montgomery County

The Task Force will be presenting its final report and recommendations this evening.
